General information

! Entry fees have to be payed cash before the beginning of the class at the show day !. Boxes for turn back horses are free, if the turn back is available to every cutter. Every participant has to send the entry form by email. A copy of the membership card of the NCHA of Germany & NCHA of USA as well the horse paper has to be added. After the deadline there will be a late entry fee of 50,00 €. For not completely filled out entry forms there will be a processing fee of 10,00 € (especially by missing membership and horse numbers).

There is no right to a refund of the cattle charge for cancellations of entries after the entry deadline. For cancellations of starts after the draw - determination of the starting order - there is no right to a refund of the fees paid.

For all horse on the show ground - also turn back horses - an identification/vaccination document (Equidenpass) has to be submitted - the FEI guidelines apply (Influenza 6 month interval), herpes vaccination is recommended.

With sending the entry form the participant declares that the whole announcement was read and took note of it. Furthermore that the horse is free of infectious diseases and located in a disease free barn, that all costs related to a veterinary examination in case the horse should show symptoms of a disease are paid and that a third party liability insurance for horse and rider is in place and active.

We would like to point out that since January 1st, 2005 both competition riders and leisure riders are obliged to carry an up-to-date EU health certificate with them when crossing the border into another EU country. This is to be issued by the official veterinarian of the stable who is responsible for his horses

The produce of the show strongly recommends to all riders to wear a helmet on the complete show area. The helmet must comply with the current DIN standard. I confirm with my signature that riding without helmet is on my own risk and that I am aware of higher risk to get seriously injured. Especially for youth riders it is strongly recommended to wear a helmet. If a youth rider doesn't wear a helmet the parents take over the responsibility by signing the entry form.

The participation/presence on this show is at each one's own responsibility. The producer is not liable for damages of any kind. The exhibitor or horse owner is liable for damages on the property of the producer or a third party caused by their animal. There does not exist any contractual relationship between the producer on the one hand and the visitors, horse owners, exhibitors or other participants on the other hand, especially are participants no assistants according to § 278 f. and 831 BGB. All liability for theft and violations on human and animal is also excluded.
